# hello

My name's Katie and I'm a designer and calligrapher. I grew up in the desert oasis of Scottsdale, AZ where I found my passion and love of... tacos! During college I traded the cacti for the coastline, moving to New England to be closer to my amazing, dysFUNctional family, and I never left. (Mostly because I met my amazing hubby Shawn along the way!) A few years ago we found ourselves on a new adventure, setting up our home base in the charming, coastal city of Plymouth, MA, and becoming a mama to our fun-loving boys, James + Jake! I still work all over New England, designing and writing everything from joke-cracking greeting cards to classic wedding invitations. When I'm not doing calligraphy and design, you can find me exploring new craft breweries with Shawn (our wedding was craft beer themed!), taking walks along the waterfront with the kids, or eating some yummy, authentic tacos (DUH)! So, take a look around – I hope you'll find something that makes you smile!
